

# Become a Space Ceiling Partner

**Exclusive Territory · Full Brand Support · Proven Systems**

## Own Your Region. Under Our Brand.

Space Ceiling is redefining modern ceilings and walls with luxury stretch membranes, integrated lighting, acoustic treatments, and printed feature surfaces. We're now selecting regional partners to represent Space Ceiling in key markets. This is your opportunity to operate under a trusted, modern brand — with full training, marketing support, and supplier access — while building your own business in a high-demand niche.

## What You Get

As a Space Ceiling Brand Partner, you'll receive: - Exclusive rights to operate as Space Ceiling – [Your City/Region] - A custom web page under our official site with SEO for your area - Access to our international supplier network (we handle logistics) - A starter materials package and tool kit for quoting and installation - Use of brand identity: logo, brochures, business cards, signage, templates - Access to our project photo gallery and videos - Sales and installation training (online or in person) - Ongoing quoting support, technical guidance, and product updates - Lead sharing from your regional inquiries via our ads and website

## Startup Investment: \$10,000 CAD

This can be split into 4 monthly payments of \$2,500. It includes: - Material samples to help you close your first projects - Tool kit suitable for a solo installer - Launch of your regional page and brand license - Full training, support, and branded marketing content - \$5,000 CAD of that investment is allocated to a 12-month ad campaign to promote your services.

## Ongoing Advertising Requirement

After your first year, a minimum of \$200/month in advertising spend must be maintained to support local visibility and lead generation. This can be managed by you or with our assistance.

## Your Profit Potential

Space Ceiling products are premium and carry strong margins. Most systems sell at 300%–600% markup over material costs. You invoice clients directly and keep 100% of your margin. Many partners recover their initial investment within the first few projects.

## **Territory & Brand Use**

You'll receive exclusive rights to your city or region, listed on our website. You'll also be provided with a professional email address (e.g., [vancouverisland@spaceceiling.ca](mailto:vancouverisland@spaceceiling.ca)) to use in all customer communications. This email remains under Space Ceiling control and will be revoked if the partnership ends.

## **Next Steps**

If you're interested in becoming a Space Ceiling Partner, we'll schedule a call to confirm alignment. Once confirmed, you'll receive the Partner Agreement and first invoice. No supplier contact or pricing will be shared until the agreement is signed and payment is received.
